Investment license : N<sup>o</sup>. 0302321200 issued by HCM City Planning and  
Investment Department on June 8<sup>th</sup>, 2011 (Transferred from  
Saigon Environmental Technology and Construction Co.,  
Ltd.)  
Place of incorporation : Ho Chi Minh city, Vietnam  
Year of incorporation : 8<sup>th</sup> June 2001

## BRIEF INTRODUCTION

*(Saigon Environmental Technology and Construction Corporation)*

### I. INCORPORATION

SENCO was established on 8<sup>th</sup> June 2001 under business license No. 412005233 issued by Ho Chi Minh city Department of Planning & Investment. By the date of 10<sup>th</sup> June 2010, the Company was officially upgraded to a joint stock company with legal capital of VND 30 billions under business license no. 0302321200.

### II. SCOPE OF ACTIVITIES

SENCO Corporation is specialized in the following areas:

- ❖ *Investing Water supply, Drainage and Environment projects under Public-Private Partnerships model (BOO, BOT, BTO...).*
- ❖ *Technical consultancy of Environmental, Water supply and Drainage technology.*
- ❖ *Surveying, geological topography*
- ❖ *Designing and constructing (Engineering Procurement and Construction – EPC) Industrial and Urban water supply treatment systems;*
- ❖ *Designing and constructing (EPC) the industrial and domestic sewage treatment system: Electroplating, seafood, tanning, pharmaceutical chemistry...*
- ❖ *Designing and constructing (EPC) water supply and drainage pipeline;*
- ❖ *Designing and constructing (EPC) the industrial and civil works;*
- ❖ *Designing and constructing (EPC) Electricity, Industrial automatic, PLC programming and SCADA systems;*
- ❖ *Environmental impact assessment, Environment acceptance, Drainage report, the Registration of Hazardous waste owner...*
- ❖ *Services of Operation, Water treatment system maintenance for industrial plants.*
- ❖ *Water equipment supplier (SaigonTec)*

Although SENC head office is located in Ho Chi Minh city, our business area is now widely spread out all over Vietnam. In the near future, SENC is hoping to set up representative offices in other big cities of Vietnam in order to satisfy larger market demands and customers' requirement.

### III. VISION

To become a top company of Environment, Water supply and Drainage field (treatment of water supply, sewage, exhaust emission, waste and water supply drainage).

#### **IV. MISSION**

Non-stop innovation and creation to meet diversified demands of customers.

#### **V. CORE VALUES**

- ✓ Professionalism: Proficient in work, dynamic, creative and methodically working follow the process
- ✓ Teamwork: Unifying group-work ability, coordinating throughout Company's department
- ✓ Loyalty: Loyal with Company's benefit.
- ✓ Drastic: Confidence, dare to dream dare to do and dare to be responsible for the development of the Company.
- ✓ Human factors: Respect and maximize potentiality of each employee.
- ✓ Tradition: To promote the Founder's tradition.
- ✓ Integration: Globalization.

#### **VI. BUSINESS PHILOSOPHY:**

“To work actually will be earned”

#### **VII. HUMAN RESOURCE**

SENCO understands the human resource is our most valued asset. We are proud to work with qualified engineers and technicians that trained in well-known universities and have strong expertise. Additionally, we also have experts and working partners who are specialists in water treatment engineering, architecture and building graduated from and/or lectured in famous local and foreign schools.

Besides, SENCO has partnership with foreign experts. Their experiences and technical know-how are transferred from training courses conducted by Vietnam–Denmark Environmental Technology JV Company (VIDANECO) – our technology partner.

SENCO management team is one of key factor for its success because of their enthusiasm and professionalism.

Based on our past successes, we all trust in future growth and prosperity. We SENCO understand:

*“Senco is creative, Senco is effective”*

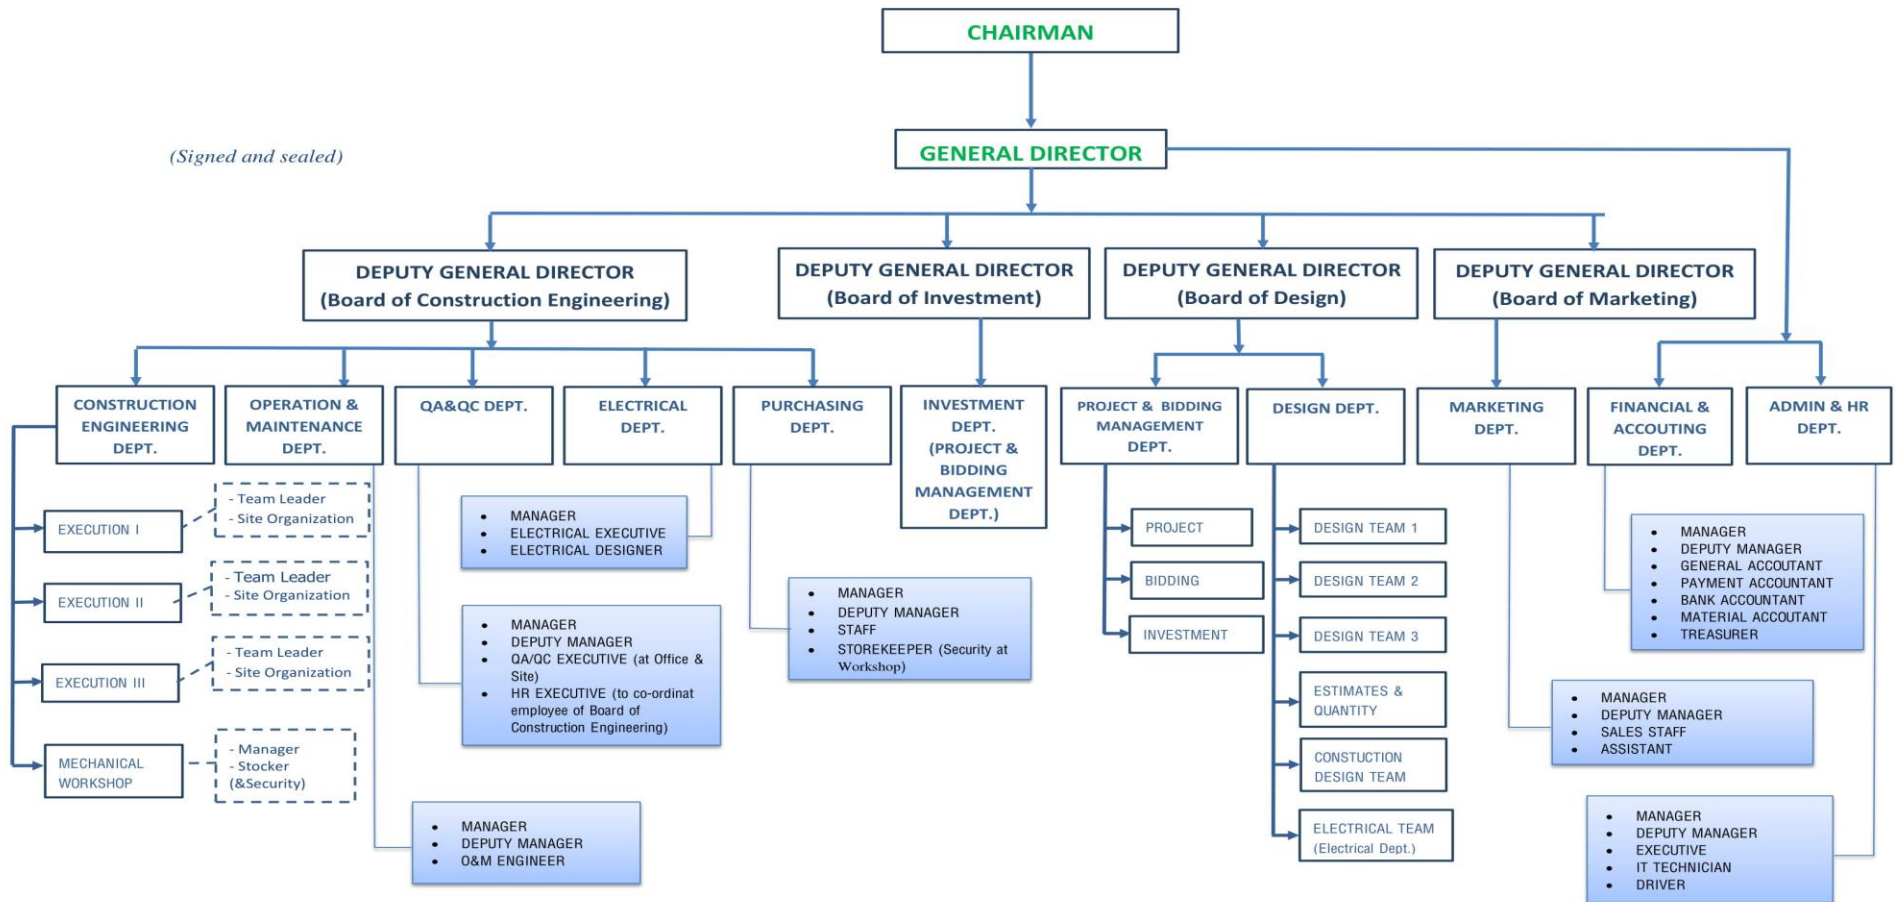

HCMC, dated September 11<sup>th</sup>, 2020
